

MCC School Kits A TUMC Project for Advent

The Mission & Service Committee invites the congregation to bring donations for MCC School Kits during Advent.

Donations may be brought forward during the offertory.

SCHOOL KIT CONTENTS (new items only)

- 4 spiral or perforated notebooks (21.5 cm x 27 cm; 140 pages)
- 1 ruler (flat, flexible plastic; 30 cm long)
- 8 unsharpened pencils
- 12 coloured pencils (in packaging, unsharpened)
- 1 large, pink pencil eraser

Please limit your generosity to the items requested. MCC wants every child to get an equal kit.

Buying tips: Dollarama is great to get the correct notebook size and for flexible plastic rulers. Conventional office supply stores have better quality pencils, coloured pencils and pink erasers.

Loose change collected in the cloth bags during the offering will also be used to buy School Kit materials.
