

TUMC's Indoor Gatherings Safety Plan

Vaccine: Fully vaccinated people age 12+ and kids age 5-11 with at least 1 dose may enter. Others should participate via Church in the Cloud (Zoom). Please come prepared to show your vaccination certificate.

Health: Are you experiencing any Covid-19 symptoms? (Fever, chills, cough, trouble breathing, loss of taste and smell, fatigue, etc.) Have you been in close contact with someone who has Covid, or tested positive? If yes, please participate from home via Zoom.

Sign-in: Check in using the link in the announcements or the AllCheckedIn QR code at the door and answer a few health questions before you enter.

Sanitize: Use hand sanitizer on entering.

Masks covering nose and mouth are required for everyone school age or older at all times (including singing), except when leading from the front.

Distancing: Keep at least 2 metres apart from other households on entering, sitting or exiting. Do not sit with friends you don't live with. Sunday School classes are scattered around the building to reduce contact.

DURING WORSHIP OR OTHER GATHERINGS:

Seating: Choose a group of chairs that fits your household size. Children should stay with their family.

Ventilation: Windows will remain open, and fans and filters will be used to improve air circulation and quality. (Check the Ventilation Guidelines to know how to set this up in various rooms.) Wear warm layers, as it may get chilly!

Speaking: Keep your mask on when speaking briefly, for example to make an announcement or prayer request. Avoid sharing mics.

Giving: Offerings by cash or cheque may be placed in the offering plate at the back of the room. Digital giving is preferred.

AFTER THE SERVICE:

Leave promptly. Be patient and keep 2 metres' distance between households as you leave. Enjoy conversation outdoors!
